A Prepper Network in the County of Waldo

The Waldo Civil Defense Association (WCDA)

Is Seeking Local Residents interested
in Preparing for Disasters to build a
Local Prepper Community.

The Objectives of the WCDA are

- Create a Network of local Preppers who wish to participate in local Preparedness activities.
- Schedule preparedness opportunities and activities.
- Provide Preparedness education opportunities for the public.
- Share preparedness knowledge, skills and resources.

What is Civil Defense?

A Self-Help disaster preparedness program that builds strong disaster-resilient communities.

What is the Waldo Civil Defense Association?

The Waldo Civil Defense Association (WCDA) is a 501 (c) 3 tax-exempt educational non-profit that provides Waldo County residents with an opportunity to network preparedness activities and resources.

What are some of the planned activities?

The WCDA hopes to organize activities such as:

- Preparedness training classes
- Mass purchases of preparedness supplies
- Provide a Preparedness Resource Library
- Organize community gardening
- Freeze Drying and Dehydrating food
- Prepper Conventions/Fairs
- Support Preparedness in Youth programs
